

**Review**

- The use of propolis as an antimicrobial in livestock – an overview.....205**  
S. Manav, M. Yilmaz, H. Baytekin, K. Çelik, A. Çağlı

**Genetics and Breeding**

- Statistical analysis of genetic diversity using faba bean landraces database.....210**  
N. Velcheva, S. Petrova

**Nutrition and Physiology**

- Changes in the growth and antioxidant enzyme activity of seedlings originated from wheat seeds subjected to accelerated ageing test.....216**  
R. Chipilski, B. Kyosev, R. Cholakova

- Growth regulators – a biological means for stimulating photosynthetic activity, nitrogen fixation and the increase of the biological value of protein in forage peas (*Pisum arvense L.*).....221**  
N. Minev

- Effect of multienzymes + probiotic supplementation in fermented shea butter cake based diets on the carcass traits and the biochemistry of broiler chickens.....227**  
P.C. Aguihe, A.S. Kehinde, S.K. Halidu, A. Sulyman, J. Chikezie, D.A. Joshua, I.I. Ilaboya, K.U. Samuel

- Complex toxin binder mycotox® ng influence on the hepatotoxic effect of aflatoxin B1 in experimental treated goslings.....234**  
I. Valchev, K. Stojanchev, N. Nicolov, R. Binev

- Influence of Baikal EM1 preparation on the productive parameters of bee colonies (*Apis mellifera L.*) during spring and autumn feeding.....241**  
R. Shumkova, R. Balkanska

**Production Systems**

- Growth and yield of orange (Washington Navel 141) grafted on different citrus rootstocks.....247**  
Alaa Suhel Ibrahim

**Agriculture and Environment**

- Detection of *Potato virus Y* associated with African nightshade leafy vegetable (*Solanum scabrum miller*) in Kenya.....255**  
S.L.Kimaru, D.C. Kilalo, J.W. Kimenju, W.M. Muiru

- Effects of location, gender and indole butyric acid on rooting of *Laurus nobilis L.* semi-hardwood stem cuttings.....260**  
A. Saeed, T. Amin

**Product Quality and Safety**

**Some physical properties of lentil seeds affected by harvest time.....264**  
S. Gürsoy

**Study on the biology of groundnut bruchid, *Caryedon serratus* Olivier [Coleoptera: Bruchidae] on stored groundnut in Ganye area, Adamawa State, Nigeria.....272**  
C.S. Oaya

**Physicochemical and microbiological characteristics of goat milk from animals grown in a mountainous area in Bulgaria.....277**  
D. Pamukova, N. Rusenova, T. Kolev, S. Chobanova, N. Naydenova

**Influence of enzymes with different activity on dynamics of buffalo milk coagulation parameters.....282**  
Y. Karacheviev, V. Galabov, T. Angelova, D. Yordanova, V. Karabashev

**Short Communication**

**Preliminary assessment of selected sweet cherry hybrids regarding their resistance to black cherry aphid (*Myzus cerasi* Fabr.) in Bulgaria.....288**  
D. Stefanova, S. Malchev
